

Outdoors

- **Outdoor Trips for 8 – 88 years only**
- **Full or Part Day Climbing Trips**
- **Instruction and kit hire included**
- **Different types of days out available to accommodate all levels and ages of climber**

Experience Days This is for anyone who would like to experience climbing outdoors. The day is spent at a local crag where you will be climbing and adapting your indoor skills to the outdoors.

Starting outdoors These day sessions are for the climbers who wish to start to climb outdoors. The day is spent learning the basics on how to use your climbing equipment to be able to start climbing outdoors. Each person will need a number of sessions before they will become competent

Learn how to Lead These day sessions are for the climbers who wish to lead climb outdoors. As the name says you will spend the day learning to lead outdoors. Each person will need a number of sessions before they will become competent.

Advanced For the competent climber who wishes to learn more advanced techniques, ascending a rope, rescues, multi pitch climbing and many more essential skills for outdoor climbing. The sessions are tailored around the customer's requirements.

Price £45 per person (minimum of 3 people to run the day)

Experience Day:- Saturday 6th June
Please call for details on where to meet and times.
